## APPLICATION FORM

We are pleased that you are considering The Study Academy and we look forward to getting to know you. The application process is outlined below to help you keep track of the requirements and to ensure that we have every opportunity to connect. If you have any questions throughout the process, please do not hesitate to contact our admissions team at [admissions@thestudyacademy.ca](mailto:admissions@thestudyacademy.ca).

## INSTRUCTIONS

This package includes the Application for Admission, Student Supplement, Student Reference, and Fee Schedule. The applicant's parent(s)/guardian(s) should complete the Application for Admission (pages 2-5) and Fee Schedule Notes (page 10), the applicant should complete the Student Supplement (page 6 or 7), and the student's current academic reference (teacher, vice-principal, or principal) should complete the student reference as per the instructions on page 8 (available at [thestudyacademy.ca/resources/Reference.pdf](http://thestudyacademy.ca/resources/Reference.pdf)). Once a completed application is received, the admissions team may contact you to arrange for a Google Hangouts, Zoom meeting, or WeChat video call with the applicant. These conversations provide opportunities for students to learn more about The Study Academy and for the school to assess student "fit" with our school culture. After the video call, the school will arrange for the applicant to complete a placement assessment.
